

Academic Curriculum Vitae

Dr. Fatemeh Ebrahimpour, Bsc, MSc, PhD

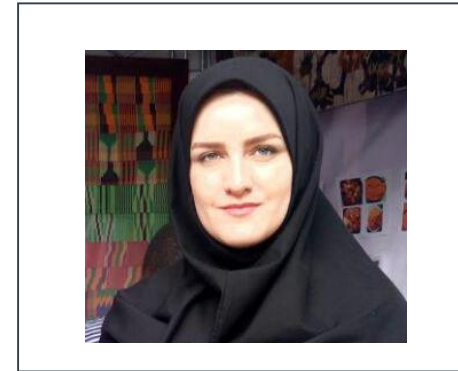

Assistant professor, Department of Pediatric and NICU

Address: Shahid Beheshti University of Medical Sciences, Tehran, Iran

E-mail: F.Ebrahimpour93@gmail.com

Research Lines and interests:

- Quantitative and qualitative study with children
- Medical sciences education
- Development of Nursing care in Children and Families

Date of last revision: September 2023

Education

Year	Degree	Institution	Location
2008	Bsc, Nursing	Qazvin University of Medical Sciences	Iran
2014	Msc, Pediatric Nursing	Isfahan Islamic Azad University	Iran
<i>Thesis:</i> The Impact of Computer Game on the Behavioral Distress Associated with Insulin Injection in Children with Diabetes Type 1 in Isfahan Endocrine & Metabolism Research Center. Supervisor: Dr. Narges Sadeghi			
2021	Ph.D, Nursing	Tehran University of Medical Sciences	Iran
<i>Dissertation:</i> Exploring the process of hopefulness in children with leukemia. Supervisor: Dr. Jila Mirlashary			

Professional Experience and Executive Positions

Years	Position	Institution	Location
2010-2011	Clinical nurse (RN)	Boali Sina Hospital, Qazvin	Iran
2011	Instructor of nursing	Isfahan Islamic Azad University	Iran
2013-2014	Instructor of nursing	Qazvin University of Medical Sciences	Iran
2014-2015	Nursing faculty member	Qazvin University of Medical Sciences	Iran
2017-2020	Instructor of nursing	Tehran University of Medical Sciences	Iran
2022	Instructor of nursing	Shahid Beheshti University of Medical Sciences	Iran
2023	Nursing faculty member	Shahid Beheshti University of Medical Sciences	Iran

Honors and Awards

2006	Obtaining the first university and fifth provincial rank in “Hikmat Motahar Festival”, Qazvin University of Medical Sciences
2008	Elected as a top researcher student at Qazvin University of Medical Sciences,
2009	Elected as a top student of BS nursing by Qazvin University of Medical Sciences,
2013	My software "interactive computer game ..." Selected as the best multimedia of the 1 st International Congress and 6 th National Conference of E-learning in Medical Sciences, Shiraz, Iran,
2014	My software "Interactive computer game.." Selected as the best educational process in Motahari Education Festival by Ministry of Health and Medical, Iran
2014	Elected as a top student of Msc Nursing by Isfahan Azad University
2014	My article "the design and development ..." Selected as one of the best article of 2013-2014 by Electronic Physician Journal.
2017	Obtaining the third team rank in the educational and competitive team course "Startup Weekend Electronic Health", Tehran University of Medical Sciences
2017	Winning the title of the best academic educational process in the 11th Shahid Motahari Educational Festival, Kerman University of Medical Sciences
2017	Obtaining the first rank in the comprehensive examination of the doctoral degree in nursing, Tehran University of Medical Sciences
2018	Obtaining the third rank in presenting an article in the second intra-university seminar on research in nursing and midwifery, Qazvin University of Medical Sciences
2019	Winning the title of the best student in the academic performance of the university in the specialized doctorate level, “Ibn Sina Student Festival” of Tehran University of Medical Sciences
2019	Winning the title of the best educational process in the third student festival of education development, Tehran University of Medical Sciences
2019	Winning the title of the best educational process in the third student festival of education development, Tehran University of Medical Sciences
2019	Winning the title of the best innovative educational idea in the third student festival of education development, Tehran University of Medical Sciences

2020	Winning the title of the best research in education, fourth student festival of education, Tehran University of Medical Sciences
2020	Winning the title of the best student committee in education development, Tehran University of Medical Sciences
2020	Elected as a top student of PhD nursing by Tehran University of Medical Sciences
2021	My article “Development hope among children with cancer thought art” Selected as the best article by Iran Health Ministry in “Simorgh Festival”
2022	Nominated for The Current Oncology 2022 Young Investigator Award
2022	My article “War on Two Fronts: Experience of Children with Cancer and Their Family During COVID-19 Pandemic in Iran ” was nominated from “ International Research Excellence Citation Awards 2022” for Most Cited Article Award
